# AmnioHeal *plus*

High-quality, regenerative amniotic tissue graft designed to cover wounds in various surgical applications.

**AmnioHeal® Plus** is a safe, natural biologic barrier that maintains the original powerful characteristics of amniotic tissue. The unique design of AmnioHeal Plus allows for easy manipulation and repositioning, making it a flexible, dependable option for a variety of wound covering applications.

**EASE-OF-USE:** Can be placed on either side facing the wound, remains in place and doesn't require sutures.

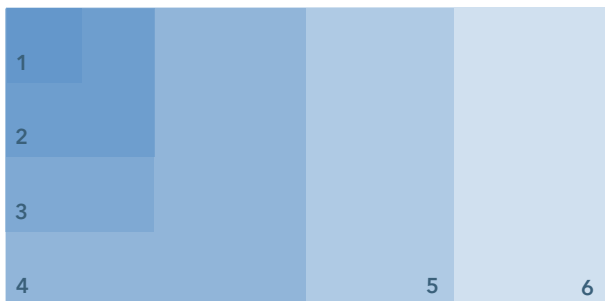

**FAVORABLE:** Ample inventory options and overnight shipping, favorable customer programs, with minimal risk

**NATURAL:** 100 % pure amniotic tissue processed using Tides' proprietary Artacleanse® process.

**FLEXIBLE:** Stores dry at room temperature with no need for refrigeration. Product remains safe and effective with a shelf life of 5 years.
