# artacent

## WOUND

wound-specific, dual-layer amniotic patch designed for ease of use.

Artacent Wound® is a safe, natural biologic barrier that maintains the original powerful characteristics of amniotic tissue. The unique design of Artacent Wound® allows for easy manipulation and repositioning making it a flexible, dependable option for a variety of wound covering applications.

**SAFE:** Tides Medical's proprietary Artacleanse® process: strong enough to make a graft safe for implantation but gentle enough to maintain its natural biologic factors.

**FAVORABLE:** Ample inventory options, overnight shipping, favorable customer programs, and minimal risk.

**FLEXIBLE:** Stores dry at room temperature with no need for refrigeration. Product remains safe and effective with a shelf life of 5 years. Can be placed on either side facing the wound, remains in place and doesn't require sutures.

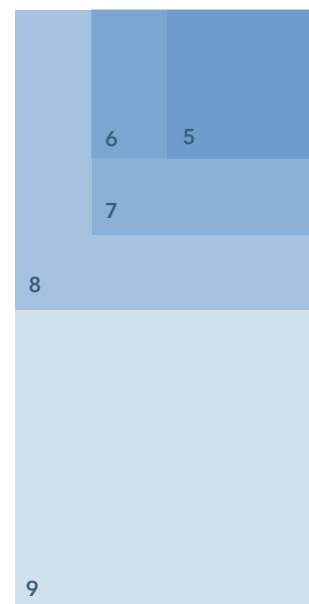

**REIMBURSABLE:** High bucket reimbursement with expert support to help you navigate the complex reimbursement process.

Q Code: **Q4169**
